age perfecting treatments

### SkinScription: Injectable Beauty

Concerned about ageing, want to reverse or prevent it?

At Tracey Bell we offer a host of non-surgical options including our very popular 'injectable beauty' treatments.

Be it the appearance of lines around the eyes, uneven skin tone and texture, loss of plumpness in the lips or sagging facial skin, at Tracey Bell we have a host of synergistic treatments that enhance, rejuvenate and improve the appearance of facial ageing.

### Medical Treatments

Injectables can also be utilised for many medical conditions such as migraine, tension headaches and hyper-hydrosis (excessive sweating).

Please refer to our website for more information.

"Producing a large or small physical change can promote confidence, self esteem and the feeling of looking better... emotive beauty"

Tracey Bell CEO

## TRACEY BELL SkinScription: Injectable Beauty

### Anti-Wrinkle BOTOX®

BOTOX® reduces wrinkles and expression lines between the eyebrows, around the eyes and across the forehead, creating smoother skin and a younger appearance.

Our proven technique delivers stunning results while maintaining a natural look. Botox can also be utilised in the face, neck, chest and underarm for sweating.

"So natural that everyone notices... but nobody knows."

### Derma Fillers

#### Juvederm® - Restylane® - Radiesse® - Suceev®

We offer a variety of FDA - approved fillers that instantly smooth wrinkles, reduce folds, reduce deep lines and add volume to lips. These naturally occurring substances use either hyaluronic acid or are calcium-derived to add volume and hydration.

"All treatments are customised to a desired result, based on your consultation."

**Can be used on lips, cheeks, deep lines and wrinkles.**

### Facial Hydration / Alesotherapy

#### Restylane® Vital

Restylane Vital - an advanced injectable producing revitalised, renewed skin via a series of small injections combining hyaluronic acid. **Can be used on lips, cheeks, deep lines and wrinkles.**

### Facial Volumisers

#### Sculptra®

Sculptra is a long lasting, clinically proven facial volumiser. A product which stands on its own to replace lost fat, wasting muscles and correct the body's natural facial ageing process.

Clinically proven to show results for up to 25 months.

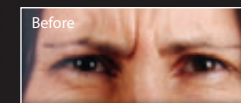

This product stimulates the production of your own collagen to smooth out deep lines and wrinkles in the lower part of the face.

**Can be used on lips, cheeks, deep lines and wrinkles.**
